Defined creative packages

$35 Creative Content starter: one custom static graphic using supplied brand details and copy, one output size, JPG/PNG delivery and one consolidated revision round.

$65 Product Listing Makeover: one product, three graphics (main, feature and detail-or-scale), JPG/PNG files, one size each and one consolidated revision round.

Listing Makeover delivery: one business day after payment and all required materials, unless otherwise posted on the Payhip listing. Revision timing is agreed separately. Extra sizes, products, source files, copywriting, photography and storefront management are excluded.

Videos, presentations, prompt packs and other creative work are quoted individually. Final price depends on deliverables, complexity, quality standards and deadline. Production begins after payment and required materials. A quote request is not a purchase.
